2. The Finance Act, 2021 has introduced an amendment to section 32 of the Income Tax Act, 1961, whereby Goodwill of a business will not be considered as a depreciable asset and depreciation on goodwill will not be allowed as deductible expenditure effective April 1, 2020.

In accordance with the requirements of Ind AS 12 - Income Taxes, the Company has recognised one time tax expense amounting to ₹ 1,425 million as the outcome on the difference between Goodwill as per the books of account and its updated tax base of NIL resulting from the aforementioned amendment, in addition to the current tax expense debited to the statement of profit and loss. This deferred tax liability is not expected to be a cash outflow in the future and its reversal is deemed unlikely as the value of its associated goodwill is expected by value in use.
