The Company's German Forging Operations comprises of CIE Forging Germany GmbH ("CFG") and its subsidiaries namely Jeco Jellinghaus GmbH (JECO), Gesenkschmiede Schneider GmbH (GSA), Falkenroth Umformtechnik GmbH (FUG) and Schoneweiss & Co. GmbH (SCG).

CFG is a holding company holding shares in the above-mentioned subsidiaries namely JECO, GSA, FUG and SCG. It will also be recalled that JECO is operationally closed and has been a dormant entity. The German Forging Operations have three operating companies namely GSA, FUG and SCG that supply forging parts primarily for the European truck industry. CIE Galfor S.A. (Galfor), a wholly owned subsidiary of the Company and immediate holding company of CFG, also supplies forging parts to the light vehicles industry manufactured in its own plant and other subsidiaries in Europe. The light vehicles industry in Europe is seeing a rapid transition to Electric Vehicles (EVs) and the Company is focused on managing this transition. The Company also intends to benefit from the growth opportunities emerging in the Indian automotive industry.

In view of the above, the Board of Directors of the Company at its meeting held on 14th December 2022, reviewed the future plans of the Company's German Forging Operations and noted the proposal approved by the board of directors of Galfor, the immediate holding company of CFG, to launch an active program to locate a buyer for the German Forging Operations comprising of CFG and its subsidiaries. Thus, in accordance with the applicable accounting standards, considering Galfor's decision to launch the program, all the "assets and liabilities" of these entities were categorised as "assets and liabilities held for sale".

As per the approval of its board, the management of Galfor had launched an active program to locate a buyer and after due process of negotiation, finalized a proposal for divestment of entire stake held by CFG in its subsidiaries in Germany i.e., JECO, GSA, FUG and SCG (the Transaction).

Details of the Transaction

a. Divestment of entire stake

As a part of the Transaction CFG shall sell by way of transfer of 100% shares held by it in each of the subsidiaries namely JECO, GSA, FUG and SCG to Mutares SE & CO (the Buyer), a German private equity listed in Frankfurt stock exchange. Subject to receipt of necessary approvals, the transfer of shares is expected to complete by 30th September, 2023.

Effective date of transfer of business from CFG to the Buyer shall be 30th June, 2023 and during the period of transition i.e. From 1st July, 2023 till closing date, the operations will be managed by CFG, for the

benefit of the Buyer i.e., the profit & cash generated therefrom shall belong to the Buyer

b. Consideration

Net consideration to be received by CFG for the Transaction is Euro 25 million equivalent to INR 2,230.25* million which includes an amount of Euro 2.3 million (equivalent to INR 205.18* million) subject to realization of certain financial assets.

*As per June exchange rate = INR 89.21 / Euro indicated for reference purpose only.

Please note that, in addition to the consideration to be received for the Transaction, CFG (the holding company which continues to be a Wholly Owned Subsidiary of the Company post the Transaction) as of 30th June, 2023 had a net cash position of Euro 18.2 Million.

c. Valuation

Details of valuation considered is as under:

Particulars	Amount in Euro million
Adjusted Recurring EBITDA	11.1
EV/ Adjusted EBITDA Multiple (X)	5.0
Enterprise Value (EV)	55.5
Debt, Pension & Other Liabilities :	(30.5)
Equity Value of JECO, GSA, FUG and SCG	25.0
Net cash at CFG	18.9
Other payables of CFG	(0.7)
Total	43.2

Approval and Recommendation of the Board

The Audit Committee of the Board at its meeting held on 10th August, 2023, reviewed the Transaction as proposed along-with other relevant details related thereto. The Committee was of the opinion that the valuation arrived at for the Transaction was fair and reasonable based on the market situation and other aspects governing the business. Accordingly, the Audit Committee approved and recommended the Transaction to the Board.

The Board of Directors of the Company at its meeting held on 10th August, 2023, reviewed the Transaction along-with recommendation of the Audit Committee. The Board agreed with the recommendation of the Audit Committee and was of the opinion that the proposed Transaction is in the best interest of the Company and its shareholders. Accordingly, the Board granted its approval to the Transaction, subject to receipt of necessary approvals as may be required to give effect to the said Transaction as per applicable laws of relevant jurisdictions.

The Board noted that on standalone basis CFG, JECO, GSA, FUG and SCG do not qualify as material subsidiary of the Company i.e., the standalone turnover or net worth of these entities do not exceed 10% of the consolidated turnover or net worth of the Company and its subsidiaries in immediately preceding accounting year. However, since the proposed transaction involved divestment of entire stake in all the operating companies in Germany namely GSA, FUG and SCG and aggregate turnover of these entities whose stake is proposed to be divested exceeds 10% of the consolidated turnover of the Company and its subsidiaries in immediately preceding accounting year, the Board has placed the matter for approval of the members of the Company under Regulation 24 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Upon completion of the Transaction, JECO, GSA, FUG and SCG shall cease to be subsidiaries of the Company.

Regulatory Requirements

Regulation 24(5) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") provides that no listed entity shall dispose of shares in its material subsidiary which would reduce its shareholding (either on its own or together with other subsidiaries) to less than or equal to fifty percent or cease the exercise of control over the subsidiary without passing a special resolution in its general meeting, except in cases where such divestment is made under a scheme of arrangement duly approved by a Court / Tribunal.

A material subsidiary, in terms of the Company's "Policy for Determining Material Subsidiaries and Governance Requirements in respect of Subsidiaries", means a subsidiary whose income or net worth exceeds 10% (ten percent) of the consolidated income or net worth respectively, of the Company and its subsidiaries in the immediately preceding accounting year.

As mentioned above, the Transaction involves sale of entire stake of all the operating subsidiaries which collectively constitutes the entire forging operations in Germany. The aggregate income of the German Forging Operations is in excess of 10% of Company's consolidated income. Accordingly, approval of Members of the Company via special resolution is sought under Regulation 24(5) of the Listing Regulations for the Transaction.

None of the Directors, Key Managerial Personnel or their relatives are interested or concerned, financially or otherwise in the Resolution set out at Item No. 1.

The Board is of the opinion that the Proposed Transaction is in the best interests of the Company and accordingly, the Board recommends the Resolution as set out at Item No. 1 of this Notice for approval of the Members as a Special Resolution.
